# Electrostatic Sprayer Service

Office Pride's state-of-the-art electrostatic sprayer service will quickly and efficiently sanitize surfaces in your facility.

## **TECHNOLOGY**

We utilize the latest technology to ensure your building and everything inside is fully sanitized.

## **PRODUCTIVITY**

We can help reduce sick days and increase productivity by keeping a building healthy.

## **ELECTROSTATIC SPRAYER**

Our electrostatic sprayer process gives our technicians the ability to sanitize even the hardest to reach places.

## **PROPER ROUTINE**

From outbreaks to the common cold, a proper routine can help reduce the risk of unnecessary illness.

Office Pride customizes our services to meet your specific needs. Call for a free, no-obligation quote.
